## Guidelines for authors

The journal of Multidisciplinary Research, DHSK College, an annual and peer reviewed journal will publish original research work, theoretical, experimental or field based and technical contributions which may be in the form of full length research paper, review articles, short communications on the areas of science, arts and commerce. The basic policy of TJMR, DHSK College is to develop a platform for exchange of ideas, research news, technical reports, conference news etc among the scholars.

- ❖ **Disclaimer:** The views and opinions expressed by the authors in their research paper, review articles, short communications are entirely and necessarily theirs, and not that of publishers and not that of Editors.
- ❖ **Manuscript:** Manuscripts should be written in clear, concise and correct British English. The scientific and local terms should be in italic. The paper should not be previously published, and not under concurrent consideration elsewhere. The manuscript should be typed in double spacing on both sides of A<sup>4</sup> paper keeping margins 2.5cm from all four sides. The font should be Times New Roman and the alignment should be justified. The content of the manuscript is to be present as:
  - ❖ **Title:** The title should be bold upper case letters, font size 14, and upper case letters and centered.
  - ❖ **Name(s) of author(s):** The name(s) of author(s) should be in upper case letters, font size 10 and followed by author(s) full address. Corresponding author should be highlighted using asterisk (\*) with valid E-mail ID.
  - ❖ **Abstract:** An abstract of 150-250 words should be given in the beginning. The abstract should convey significance of the work and brief summarization of the result.
  - ❖ **Keywords (for science section):** The abstract of the paper should be followed by not less than 3 keywords.
  - ❖ **Text:** The text should be written in the following headings-
    - **For science section:** Introduction, methodology, result and discussion and conclusion. Headings should be written in upper case and sub headings in lower case and Italics.
    - **For arts section:** Introduction, analysis and conclusion.
