## FROM THE PRINCIPAL'S DESK

Dear Student Friends,

With outmost pleasure, I take this opportunity to welcome you to DHSK College, Dibrugarh, a prestigious and premier institution of Assam, having a distinct and glorious history of its own. This College has been a pioneering institution which had played a pivotal role in the creation of Dibrugarh University. The eminent scholar Dr. Jogiraj Basu, founder Principal, has given able leadership to this institution at its inception. The bold initiatives that he took for the spread of knowledge and enlightenment during early 50s of last century really leaves us spell bound. This tradition of dynamic leadership has been carried forward by eminent educationists who have graced the Principal's chair of this college. I feel very glad that I have been entrusted to continue this glorious tradition of the college.

In the present education scenario, India still lags behind other developed countries in terms of GER. The college shall leave no stones unturned to enhance the GER. As one of the leading and old higher educational institution of Assam, DHSK College has always dedicated itself for the cause of imparting higher education. Students hailing from different part of North East India have a dream of studying in this college. DHSK College has turned itself to be an education hub for students of North East India and other states too.

Our vision is to establish DHSK College as a leading premier hi-tech educational institution of North East as well as India. We shall dedicate our efforts to provide all amenities to students for their welfare and betterment. The college shall focus on all round development of the students so that they become responsible and dedicated citizens. Our objective is to shape an institution of higher institution which shall make every student feel proud to be a part of it. We seek your full cooperation and good wishes to turn our institution into a grand success.

With best wishes.

Dr. S. K. Saikia  
Principal, DHSK College.

The Dibrugarh Haumanbax Surajmal Kanoi College (DHSK COLLEGE) came into being on the 15th of June, 1945. The college was shifted to the present venue in 1950. The college was accredited by NAAC and has been accorded B<sup>++</sup> grade in 2003.

The founding fathers of the college had a vision of providing higher education to students of all sections of the society, especially to the economically and socially disadvantageous ones. We have faithfully adhered to the vision and have evolved a participatory system which allows all the stakeholders, viz. students, teachers, guardians and non-teaching staff, to work in tandem. We encourage a sense of belonging and ownership among the stakeholders.

We believe in providing a holistic education to our students so that they can inculcate moral, cultural and socio-economic values and become responsible citizens of the country. Thus, acquiring and imparting knowledge and wisdom, is the objective of the college.

### Objectives:

- To ensure effective execution of teaching plan.
