

DECLARATION FOR SELF FINANCING COURSE

Date:

I Sri/Smti.know that DHSK College course is run through Self-Financing course. I am prepared to pay the fee fixed by the college authority for this. I have no objection to this. Once admitted or enrolled, I do not want to refund any fees in the future. I have signed and declared with a good health and mind that I will pay the Admission fee for Self-Financing courses every semester in the future. If for any reason I make any objection in this regard in the future, the college authority may take any effective or necessary action against me. I have no objection in this regard.
